The Influences Behind the Sonnets

The Romantics sought to break free from the restraints of society and explore the innermost thoughts and feelings of the human soul.

Wordsworth, along with his fellow Romantic poets such as Samuel Taylor Coleridge and Percy Bysshe Shelley, aimed to capture the sublime beauty of the natural world in their works. Their admiration for nature's wonders often translated into powerful and descriptive verses, which connected the external world with the poet's own introspection.

human emotions and portray them with eloquence and sensitivity is what sets his sonnets apart from others.
