

Discover the Untold Story of Algeria 1954-1962: A New York Review Classics Masterpiece

When it comes to historical events that shape nations and define their people, certain periods stand out for their significance and impact. One such period is the Algerian War of Independence that took place from 1954 to 1962. This tumultuous period in Algerian history brought about significant changes in both Algeria and France, leaving a lasting legacy on the political, social, and cultural landscapes.

Today, we delve into the Algerian struggle for freedom and the profound consequences that emerged from it. Through the lens of an exceptional book published by New York Review Classics, we invite you to explore the complexities of this period like never before.

Algeria's Fight for Independence

The Algerian War of Independence was a protracted armed conflict between the National Liberation Front (FLN) and French colonial forces. It was a battle for self-determination as the Algerian people fought to liberate their homeland from the clutches of French colonial rule, which had lasted for more than a century.

A Savage War of Peace: Algeria 1954-1962 (New York Review Books Classics)

by Alistair Horne (Kindle Edition)

★★★★☆ 4.6 out of 5

The war witnessed a myriad of tactics and strategies employed by both sides, including guerrilla warfare, terrorism, and extensive military operations. The violence and brutality that ensued during those eight years painted a grim picture of the cost of freedom.

The New York Review Classics Masterpiece: Algeria 1954-1962

In order to truly understand and appreciate the multifaceted nature of the Algerian War of Independence, one must delve into the comprehensive and insightful analysis provided by *Algeria 1954-1962*, a groundbreaking book published by New York Review Classics.

Written by one of the most renowned historians of our time, *Algeria 1954-1962* presents a gripping account of the events that unfolded during this period. Author Jean-Luc Einaudi masterfully unravels the complexities of the conflict, offering a fresh perspective on the historical, political, and sociocultural factors that shaped the war.

Einaudi's meticulous research and vivid storytelling enable readers to immerse themselves in the gripping narrative of Algeria's struggle for independence.

Through his book, we gain a profound understanding of the motivations, aspirations, and sacrifices of the Algerian people, as well as the challenges they faced in their pursuit of freedom.

Uncovering Hidden Realities

Algeria 1954-1962 delves deep into the hidden realities of the war, uncovering long-kept secrets, forgotten events, and the roles played by various individuals and organizations. The book reveals the extensive support garnered by the Algerian National Liberation Army (ALN) and explores the international context surrounding the conflict.

Einaudi's account challenges the conventional narratives surrounding the war, highlighting the complexities and nuances that often get overshadowed in broader historical narratives. His work is a testament to the power of truthful storytelling in shedding light on the intricacies of significant historical events.

The Algerian War lasted from 1954 to 1962. It brought down six French governments, led to the collapse of the Fourth Republic, returned de Gaulle to power, and came close to provoking a civil war on French soil. More than a million Muslim Algerians died in the conflict and as many European settlers were

driven into exile. Above all, the war was marked by an unholy marriage of revolutionary terror and repressive torture.

Nearly a half century has passed since this savagely fought war ended in Algeria's independence, and yet—as Alistair Horne argues in his new preface to his now-classic work of history—its repercussions continue to be felt not only in Algeria and France, but throughout the world. Indeed from today's vantage point the Algerian War looks like a full-dress rehearsal for the sort of amorphous struggle that convulsed the Balkans in the 1990s and that now ravages the Middle East, from Beirut to Baghdad—struggles in which questions of religion, nationalism, imperialism, and terrorism take on a new and increasingly lethal intensity.

A Savage War of Peace is the definitive history of the Algerian War, a book that brings that terrible and complicated struggle to life with intelligence, assurance, and unflagging momentum. It is essential reading for our own violent times as well as a lasting monument to the historian's art.
