In May 2015 we took a 13-day Baltic Cruise on the Holland America cruise ship ms Eurodam starting from Copenhagen in Denmark and visiting Kiel in Germany, Tallinn in Estonia, St. Petersburg in Russia, Helsinki in Finland, Stockholm in Sweden, Warnemünde in Germany and returning to Copenhagen in Denmark.

We flew in from London to Copenhagen the day prior to boarding the cruise and spent one night in a hotel in Copenhagen giving only a brief opportunity to see Copenhagen. However at the end of the cruise we had a one night stay on the ship plus one extra night at a hotel in Copenhagen giving us the opportunity to do a more detailed tour of this fascinating city.

This book highlights many of the key places to see in each of the locations and can provide some useful information and photographic ideas for anyone contemplating a Baltic cruise.
