Looking for a large cast comedy play script with plenty of female roles for your next festival or drama competition? The Fourth Orange is a zany fairy tale mash-up with a modern citrus twist!

There were only supposed to be three oranges.

Well, from now on, she's minding her own business and leaving the action to the real heroes. But when a dragon is destroying the kingdom and nobody will do anything about it, it'll be up to Franceschina to decide what part she really wants to play.
