Have you ever wondered what it might be like to travel as one big, happy family over one thousand miles in a motor home?

Simon Bennett did more than think about it: He decided to do it.

It all began when he and his wife, Emma, adopted a dolphin and a polar bear as gifts to give to their twin children on their eighth birthday: Jessica and Jacob.

But the determined Jessica simply had to see her adopted dolphin, which the family learned was named Sundance and lived in the Moray Firth in the highlands of Scotland, which is hundreds of miles away. (Fortunately, Jacob wasn't as determined to see his adopted polar bear in the Arctic - yet!).

Simon had but little choice to start researching, and he found a great campsite book that became his reference source to plan an expedition in a motor home to see some of Scotland's lochs, coastline, and historic places.

Laugh, learn, and celebrate with a family that embarks on an inspiring journey filled with discoveries and adventures they won't ever forget with *In Search of Sundance, Nessie ... and Paradise!*
