Peru is one of the most interesting countries in the world. Many monuments of the pre-European period are concentrated here - the cultures of Kilka, Lurche,

Nazca, Mochica, Chavan, Chan-Chan, Chimu, Tiahuanco and, of course, Inca. The amazing nature - the great Andes and the "green hell" of the Amazon valley, the sand dunes of the Pacific coast and the relict lake-sea of Titicaca, the mysterious Nazca petroglyphs and high-mountain deserts are all concentrated on the relatively small territory of this country.
