“Inspiring. Exhilarating. Astonishing. An epic tale of brotherhood, ingenuity, and survival.” —Heather Dune Macadam, International Bestselling author of *999: The Extraordinary Young Women of the First Official Jewish Transport to Auschwitz*

Told through meticulous interviews with his son, this is an extraordinary memoir of endurance, faith, and a unique skill that kept three brothers together—and alive—during the darkest times of World War II.

“A truly extraordinary book.” —Damien Lewis, #1 international bestselling author

Harry Lenga was born to a family of Chassidic Jews in Kozhnitz, Poland. The proud sons of a watchmaker, Harry and his two brothers, Mailekh and Moishe, studied their father’s trade at a young age. Upon the German invasion of Poland, when the Lenga family was upended, Harry and his brothers never anticipated that the tools acquired from their father would be the key to their survival.

Under the most devastating conditions imaginable—with death always imminent—fixing watches for the Germans in the ghettos and brutal slave labor camps of occupied Poland and Austria bought their lives over and over again. From Wolanow and Starachowice to Auschwitz and Ebensee, Harry, Mailekh, and

Moishe endured, bartered, worked, prayed, and lived to see liberation.

Derived from more than a decade of interviews with Harry Lenga, conducted by his own son Scott and others, *The Watchmakers* is Harry's heartening and unflinchingly honest first-person account of his childhood, the lessons learned from his own father, his harrowing tribulations, and his inspiring life before, during, and after the war. It is a singular and vital story, told from one generation to the next—and a profoundly moving tribute to brotherhood, fatherhood, family, and faith.

“Deeply moving.” —Jesse Kellerman, bestselling author

“Vivid and compelling.” —Christopher R. Browning, Frank Porter Graham Professor of History Emeritus, University of North Carolina at Chapel Hill, and author of *Ordinary Men*
