The girls soon find themselves in a secret underground chamber filled with mind-boggling quizzes and puzzling riddles. As they progress through each level, they face increasingly difficult questions that put their knowledge and teamwork skills to the test. Every correct answer brings them closer to unraveling the secrets hidden within the chamber, making their journey even more exhilarating.

A Test of Knowledge and Friendship

Quiz Queens Orca Currents Denman not only offers readers an exciting storyline but also highlights the power of friendship and teamwork. As Kaley, TJ, and Serena work together to conquer each quiz, their bond grows stronger. They

learn to trust and rely on each other's unique strengths, making their journey not just a quest for knowledge but also a journey of personal growth.

Beyond mere entertainment, this book teaches important life lessons about collaboration, problem-solving, and the value of true friendship. It encourages readers to believe in themselves and embrace the potential that comes with working together towards a common goal.

Jane has no interest in boys. Her mom, Sherry, has brought home so many creeps over the years that Jane has decided to focus for the next five years on her studies. Her best friend, the boy-crazy Kiara, is obsessed with online quizzes and convinces Jane to help her create a questionnaire that will determine whether muscular Liam or Omar with the cute eyes is her true soul mate. Their friendship is tested when the answers come back with a surprising third option, the quiet and awkward Javier. Jane fails to reveal the results, which leads to some heated words being exchanged and long-held resentments (and possible secret crushes) being revealed. One of the besties will have to swallow her pride to make the first move and try to repair the damage.
