The scene looked impossible. A child against a giant...but the monster couldn't pull free.

“Now!” Wendell demanded.

The girl fell to the floor, gasping for breath and Wendell smiled.

There, that's more like...

Spinning on his heels, the giant punched Wendell in the face with his free hand.

Being a hero comes with learning curves.

The curve of a hip. The curve of a sword. The curve of a sucker punch as it connects with your face.

It wouldn't be so bad if Wendell had professionals to help him, but he's stuck with a feisty gnome, senile old wizard, and a green skinned, cigar-smoking babysitter to guide him.

Is it too late to quit?

Wendell's story has won laughter and cheers from YA readers in 60 countries since 2005. If you enjoyed Harry Potter, Tiffany Aching, Percy Jackson, or Hitchhiker's Guide to the Galaxy, then you'll love this humorous, original epic fantasy, packed with magic, mystery, and sharp kicks to the funny bone.
