Rainbows And Rescues believes that every animal has the potential to find love, happiness, and their own salvation. The organization actively shares heartwarming stories of rescue animals who have found their forever homes, highlighting their journey towards transformation.

Through these stories, people can witness the power of love and the positive impact that rescue animals bring into our lives. The hope is that these tales will inspire more individuals to consider adopting from shelters or supporting animal rescues with their purchases from the Love Salvation Collection.

The Rainbows And Rescues Love Salvation Collection goes beyond just selling products; it embodies the principles of love, hope, and second chances. By wearing or displaying these items, individuals become part of a larger community that shares a common goal - spreading happiness and supporting animal welfare.

Love's Salvation is a collection of stand alone books. This is not a series and can be read in any order.

Rescuing a stray pup during a trip to Niagara Falls wasn't exactly the peaceful, soul-searching getaway Jace DeMatteo envisioned when he left town to heal his wounded heart.

Enter a woman with an attitude cold enough to freeze the butt off a summer day, and Jace's yearn and burn is flushed straight down the tubes.

Gather an old pair of pantyhose, a prickly pair of strangers, and a sly pup who keeps the humans on their toes, and discover how two loners experience 'love at third sight' at one of the world's most romantic getaways.
