Unlock the Potential of Your Dog with Obedience Training

Owning a well-trained dog brings immense benefits, especially if you require the assistance of a service dog. A properly trained service dog can be a lifesaver, assisting individuals with physical disabilities, hearing impairments, or medical conditions like diabetes or epilepsy. Enhancing your dog's obedience skills is an essential step in providing the support you need.

The *Step By Step Guide To An Obedient Service Dog Revised 2nd Edition Book* takes you on a journey, starting from the basics and gradually building up to more complex training tasks. The easy-to-follow step-by-step instructions accompanied by clear illustrations ensure that both beginners and experienced trainers can benefit from this guide.

What Makes This Book Unique?

The revised 2nd edition of this book incorporates new training techniques and updates based on the latest scientific research. It dives deep into the psychology of dogs, helping you understand their behavior and motivations better. By having this knowledge, you can tailor your training methods to suit your dog's individual needs.

Additionally, the book recognizes the diverse needs of individuals seeking a service dog. It covers specific training requirements for different types of service dogs, such as guide dogs, hearing dogs, diabetic alert dogs, mobility assistance dogs, and more. The comprehensive approach ensures that you can train your dog to assist you effectively, regardless of your unique circumstances.

Benefits of the Revised 2nd Edition

Compared to the previous edition, the revised 2nd edition of *Step By Step Guide To An Obedient Service Dog* offers many added advantages:

- **Updated Training Techniques:** Discover the latest methods to effectively train your dog.

- **Improved Accessibility:** The book caters to various learning styles with interactive content and practical exercises.
- **Expanded Resources:** Find additional resources for further enrichment and continuous learning.
- **Real-Life Case Studies:** Gain insight from real-world examples and success stories of service dog training.

Get Ready to Change Your Life for the Better

Bringing an obedient service dog into your life has the potential to transform your daily routine and improve your overall well-being. Whether you need assistance with daily tasks, personal safety, or therapeutic support, this book equips you with the necessary tools to train your dog to meet your specific needs.

Don't miss out on this opportunity to revolutionize your dog training experience. Get your hands on the Step By Step Guide To An Obedient Service Dog Revised 2nd Edition Book today and embark on a remarkable journey towards a stronger bond and more meaningful partnership with your four-legged companion!

Hi, I'm Max Matthews, and training dogs, specifically Service Dogs, is my life and passion. I have been training Service Dogs for over 30 years, and I put all of my knowledge and experience into this book - it is the culmination of all that I know. I am retiring from my career as a Service Dog Trainer to focus on creating books and other digital content to help consolidate my lifetime of Service Dog knowledge and insights into formats that can reach more people.

I will also be creating a Service Dog training video course and additional online internet courses. In the meantime, please enjoy my Kindle and paperback versions as well!

Oftentimes, the people that need help the most are unable to afford expensive professional training required to turn their dog into a Service Dog.

Sadly, there are many factors that a lot of people may be unaware of when attempting to train their own. This book is here to guide you through this journey. The benefits of training your own dog are priceless if you diligently follow the rules and steps outlined in this book.

By following the guidance in this book, you will be creating an unbreakable bond between you and your service dog – a bond that will mitigate your disability and reward you with daily independence.

Inside this book you will learn everything you need to know about the laws and regulations that govern your ownership and utilization of your service dog. You will become well versed in how to properly assess and select a Service Dog, what type of Service Dog is best for you, and the ins and outs of why the selection process is so strict. You will also learn how to capture and keep your dog's attention even under high distraction and build that unbreakable bond. And most importantly, this book will help you build your dog's obedience – the very foundation that will make your dog the best Service Dog ever.

This book will not leave you hanging when it is time to bring your well-mannered companion out to the town to apply everything you've learned and prepared for the access test.

Finally, and arguably the most exciting part, is teaching your dog the tasks that will gain you that independence! No matter your disability, there is something for everyone in here.

Read this book thoroughly, follow the step-by- step guides, and apply the lessons properly, then you and your dog will excel together!

Buy this book NOW and start your journey to a better life today!
