

Shoestring Soldiers: The 1st Canadian Division At War 1914-1915

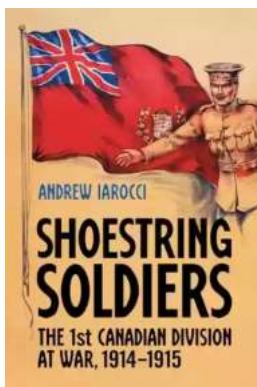

The First World War was an unparalleled conflict that reshaped the course of human history. Nations from across the globe sent their troops to fight on various fronts, and Canada was no exception. Among the many divisions that participated in the war, the 1st Canadian Division carved its place in history as the "Shoestring Soldiers."

The Birth of the 1st Canadian Division

The 1st Canadian Division was established in August 1914, shortly after war was declared. Comprised of Canadian volunteers, the division embarked on a journey that would test their resilience, courage, and determination.

The Early Battles

In 1914 and 1915, the 1st Canadian Division participated in several significant battles. These included the iconic Battle of Ypres, where they faced an enemy utilizing a terrifying new weapon — poison gas. Despite being ill-equipped and lacking proper gas masks, the Shoestring Soldiers fought valiantly, holding the line and earning the respect of their allies and adversaries alike.

The Great War was a pivotal experience for twentieth-century Canada. Shoestring Soldiers is the first scholarly study since 1938 to focus exclusively on Canada's initial overseas experience from late 1914 to the end of 1915.

In this exciting new work, Andrew Iarocci challenges the dominant view that the 1st Canadian Division was poorly prepared for war in 1914, and less than effective during battles in 1915. He examines the first generations of men to serve overseas with the division: their training, leadership, morale, and combat operations from Salisbury Plain to the Ypres Salient, from the La Bassée Canal to Ploegsteert Wood. Iarocci contends that setbacks and high losses in battle were

not so much the products of poor training and weak leadership as they were of inadequate material resources on the Western Front.

Shoestring Soldiers incorporates a wealth of research material from official documents, soldiers' letters and diaries, and the battlefields themselves, surveyed extensively by the author. It marks an important contribution to the growing body of literature on Canada in the First World War.
