Here are some key reasons why you should choose our Skill Building Course:

- **Comprehensive Curriculum:** Our course covers all aspects of quiltmaking, from selecting the right fabrics and tools to designing, piecing, and assembling the quilt. You will also learn various quilting techniques, such as appliqué, hand quilting, and machine quilting.
- **Experienced Instructors:** Our instructors have years of experience in quiltmaking and are passionate about sharing their knowledge with others.

They will guide you through every step of the process, offering valuable tips and tricks along the way.

- **Hands-On Learning:** Learning by doing is the core principle of our course. Through practical exercises and projects, you will apply the techniques learned in the classroom to create your own unique quilt. You will receive personalized feedback from your instructors to help you improve and refine your skills.
- **Flexibility and Convenience:** We understand that everyone has a busy schedule. That's why we offer flexible course timings and multiple learning options. You can choose to attend classes in-person or join our virtual sessions, allowing you to learn at your own pace and convenience.
- **Community and Support:** When you enroll in our Skill Building Course, you become part of a vibrant community of fellow quilters. You can interact with your peers, share ideas, seek advice, and be inspired by others' creations. Our supportive environment ensures that you never feel alone in your quilting journey.

What Will You Learn?

During our Skill Building Course in Quiltmaking, you will gain a range of skills and knowledge that will empower you to create beautiful quilts. Here are some of the key topics covered in the course:

In this fourth installment of the popular university-style series, Quilter's Academy, expert quilters Harriet Hargrave and her daughter Carrie teach you how to make beautiful stars, as well as other more complex blocks, using piecing techniques such as Y-seams and partial seams. Build upon the skills you developed in the first three volumes and fill your creative toolbox with new techniques that allow you to enjoy the process of quiltmaking even more. Work through these senior-year lessons at your own pace and soon you will be making those really stunning quilts that you never thought you could make!
