strategies to connect with his target audience, and tirelessly honed his skills to deliver unparalleled quality and customer satisfaction.

A hilariously subversive YA debut that explores the meaning of friendship and loyalty, and also why you should avoid being trapped in a small space with an angry chicken. Perfect for fans of Andrew Smith's *Winger* and Frank Portman's *King Dork*.

It all started with a harmless prank. But now high school junior Lawrence Barry is one step away from reform school unless he participates in a mentorship program. His mentee? Spencer Knudsen, a Norwegian exchange student with Spock-like intelligence but the social skills of the periodic table.

Then disaster strikes. Homecoming Week. When someone dressed as the school Viking mascot starts destroying the fairytale-inspired floats, all suspicion falls on Lawrence. Add to the mix a demon Goth girl, a Renaissance LARPing group, an overzealous yearbook editor, and three vindictive chickens, and Lawrence soon realizes that his situation may be a little out of control. But Spencer seems to have some answers. In fact, Spencer may be the one friend Lawrence never knew he needed.
