A School Library Journal Best Chapter Book of 2019!

Zip the unlucky magician gets into another hilarious (and sticky) situation in the second book in the Adventures of Zip Ready-to-Go! series from author-illustrator David Milgrim, who was awarded a Theodor Seuss Geisel Honor for his Ready-to-Read, Go, Otto, Go!

Zip has zapped a bot. Zip tells the bot what to do. Will the bot listen? (Spoiler alert: The bot does not listen and Zip learns an important lesson, complete with a pie being thrown in his face!)

Perfect for kids at the beginning of their reading journeys, Poof! A Bot! was written for children who have learned the alphabet and are ready to start reading! And what better way to get kids excited than with a hilarious out-of-this-world adventure featuring words they can actually read and starring a zany magician?

Each Ready-to-Go! Ready-to-Read includes a note to parents explaining what their child can expect, a guide at the beginning for readers to become familiar with the words they will encounter in the story, and reading comprehension questions at the end. Each Ready-to-Go! story contains no more than 100 words and features sight words, rhyming words, and repetition to help children reinforce their new reading skills. In this book, readers will learn thirty-five sight words and six words from one word family. So come on and get reading with Zip!
