I made things worse, okay?

I was learning how to play. Figuring out how to use my powers, how to work with my team, and searching for the best way to win the game.

Then I lost focus for just a second.

I make one wrong move, and suddenly I'm on a quest to save Evie from the most powerful monster alive.

I'm not giving up. I've got my other friends to help. I feel myself getting faster, smarter, more powerful.

I'm going to beat the odds, and I have a plan that's sure to work.
