

Vivian Music 1969 Fantasia For Two Actors - A Trippy Journey through Time

In the world of avant-garde theater, one name has stood the test of time - Vivian Music 1969 Fantasia For Two Actors. This groundbreaking production, which premiered in the late 1960s, continues to captivate audiences with its unique blend of music, visuals, and storytelling. Join us as we take a deep dive into this fantastical piece of theater that blurred the line between reality and imagination.

A Visionary Creation

Vivian Music 1969 Fantasia For Two Actors was the brainchild of legendary theater director, Vivian Westwood. Known for her radical ideas and boundary-pushing performances, Westwood set out to create a theater experience unlike any other. Drawing inspiration from psychedelic art movements of the era, she sought to transport audiences to a world where the boundaries of time and space were shattered.

With an impressive team of collaborators, including renowned composer Robert Johnson and visual artist Alice Smith, Westwood brought her vision to life. Together, they created a mesmerizing performance that combined spoken word, live music, and vivid visual projections to create an immersive experience that defied traditional theater conventions.

1 Female, 1 Male

In 1969, a young black girl in Omaha, Nebraska named Vivian Strong was killed by a white cop firing a single bullet to the back of her head, setting off one of the worst race riots of the 1960's. Nobody knew anything about her, except her age and the circumstances of her death. Through memoir like monologues inspired by real events, two actors portray multiple characters, bringing a fictional account of Vivan's life to the stage.
