But Link's close friend Noemi Amato knows the truth: Link drowned in an impossible lake that only she can find. And what's more, someone claiming to be Link has been contacting her, warning Noemi to stay out of the forest.

As these secrets become too heavy for Noemi to shoulder on her own, she turns to Jonas, her new housemate, and Amberlyn, Link's younger sister. All three are trying to find their place—and together, they start to unravel the truth: about themselves, about the world, and about what happened to Link.
